**MOTION FOR ENLARGEMENT OF TIME
TO FILE RESPONSES TO
COMMISSION STAFF’S REQUESTS FOR INFORMATION**

The Applicant, Parallel Infrastructure on behalf of New Cingular Wireless PCS Limited Liability Company (“New Cingular”), respectfully requests an enlargement of time to file responses to the requests for information issued by the Commission Staff on August 13, 2014. As grounds for this motion, New Cingular states that it has required additional time to verify the responsive information and determine the information to include in the amended application being filed simultaneously with this motion. Also, in response to Data Request No. 1, New Cingular is filing an Amended Application and has required additional time to prepare that filing and the revised notices. There are no additional parties to this proceeding and no prejudice will result from granting the enlargement and authorizing New Cingular’s responses to be filed into the record. Accordingly, New Cingular requests that the Commission grant this motion and permit the attached responses to be filed.
